At the Park Yesterday.

Things were generally very quite at the park yesterday. The heavy wind storm which prevailed prevented any idea of which prevailed prevented any idea of boating, the gymnasium was closed and there was no dancing. The ball game announced to take place did not materialize. The Capital Club team was on the ground promptly at 3 o'clock, but the clerks of the Copper City were evidently afraid of their opponents or were deterred by the wind. Last night, however, prominent cranks were working actively to induce the Door Lodge team to cross bats with them to-day. were working actively to induce the Deer Lodge team to cross bats with them to-day.
